

Certificate in Sustainable and Green Finance

Finance & Budgeting

Course Overview

Certificate in Sustainable and Green Finance: a 5-day professional training course from LTC Consultants, delivered in-classroom across Africa and live online.

What You Will Achieve

- Explain the core principles and current good practice in Sustainable and Green Finance
- Apply practical tools and techniques for Sustainable and Green Finance in your own organisation
- Analyse real-world scenarios and select the right approach with confidence
- Avoid the common pitfalls that undermine Sustainable and Green Finance in practice
- Build a personal action plan to implement what you have learned

Who Should Attend

Finance managers, accountants, analysts, budget holders and professionals responsible for financial planning, control or reporting.

Course Outline

1. Setting the scene: Sustainable and Green Finance in today's organisation
2. Key concepts and the language of Sustainable and Green Finance
3. Frameworks and good practice that deliver results
4. Hands-on application: workshop exercises and cases
5. Problem-solving clinic: participants' real challenges
6. Integrating Sustainable and Green Finance with day-to-day operations
7. Reporting, metrics and demonstrating value
8. Action planning: your first 90 days after the course
