

Introduction to Defense and Security

Defence & National Security

Course Overview

Defense and Security: a 5-day professional training course from LTC Consultants, delivered in-classroom across Africa and live online.

What You Will Achieve

- Explain the core principles and current good practice in Defense and Security
- Apply practical tools and techniques for Defense and Security in your own organisation
- Analyse real-world scenarios and select the right approach with confidence
- Avoid the common pitfalls that undermine Defense and Security in practice
- Build a personal action plan to implement what you have learned

Who Should Attend

HSE managers and officers, operations and site managers, supervisors, safety representatives and anyone accountable for workplace safety.

Course Outline

1. Setting the scene: Defense and Security in today's organisation
2. Key concepts and the language of Defense and Security
3. Frameworks and good practice that deliver results
4. Hands-on application: workshop exercises and cases
5. Problem-solving clinic: participants' real challenges
6. Integrating Defense and Security with day-to-day operations
7. Reporting, metrics and demonstrating value
8. Action planning: your first 90 days after the course
