

Practical Business Planning Workshop

Interactive Workshops

Course Overview

Practical Business Planning: a 3-day professional training course from LTC Consultants, delivered in-classroom across Africa and live online.

What You Will Achieve

- Explain the core principles and current good practice in Practical Business Planning
- Apply practical tools and techniques for Practical Business Planning in your own organisation
- Analyse real-world scenarios and select the right approach with confidence
- Avoid the common pitfalls that undermine Practical Business Planning in practice
- Build a personal action plan to implement what you have learned

Who Should Attend

Project managers, project engineers, planners, PMO staff and team members involved in delivering projects of any size.

Course Outline

1. Setting the scene: Practical Business Planning in today's organisation
2. Key concepts and the language of Practical Business Planning
3. Frameworks and good practice that deliver results
4. Hands-on application: workshop exercises and cases
5. Problem-solving clinic: participants' real challenges
6. Integrating Practical Business Planning with day-to-day operations
7. Reporting, metrics and demonstrating value
8. Action planning: your first 90 days after the course
