Project and Infrastructure Finance

Finance & Budgeting

Course Overview

Project and Infrastructure Finance: a 5-day professional training course from LTC Consultants, delivered in-classroom across Africa and live online.

What You Will Achieve

- Explain the core principles and current good practice in Project and Infrastructure Finance
- Apply practical tools and techniques for Project and Infrastructure Finance in your own organisation
- Analyse real-world scenarios and select the right approach with confidence
- Avoid the common pitfalls that undermine Project and Infrastructure Finance in practice
- Build a personal action plan to implement what you have learned

Who Should Attend

Finance managers, accountants, analysts, budget holders and professionals responsible for financial planning, control or reporting.

Course Outline

1. Setting the scene: Project and Infrastructure Finance in today's organisation
2. Key concepts and the language of Project and Infrastructure Finance
3. Frameworks and good practice that deliver results
4. Hands-on application: workshop exercises and cases
5. Problem-solving clinic: participants' real challenges
6. Integrating Project and Infrastructure Finance with day-to-day operations
7. Reporting, metrics and demonstrating value
8. Action planning: your first 90 days after the course
