The World Post Covid

Laboratory and Research

Course Overview

The World Post Covid: a 5-day professional training course from LTC Consultants, delivered in-classroom across Africa and live online.

What You Will Achieve

- Explain the core principles and current good practice in World Post Covid
- Apply practical tools and techniques for World Post Covid in your own organisation
- Analyse real-world scenarios and select the right approach with confidence
- Avoid the common pitfalls that undermine World Post Covid in practice
- Build a personal action plan to implement what you have learned

Who Should Attend

Professionals, specialists and managers at every level who want to strengthen this capability and apply it with confidence at work.

Course Outline

1. Setting the scene: World Post Covid in today's organisation
2. Key concepts and the language of World Post Covid
3. Frameworks and good practice that deliver results
4. Hands-on application: workshop exercises and cases
5. Problem-solving clinic: participants' real challenges
6. Integrating World Post Covid with day-to-day operations
7. Reporting, metrics and demonstrating value
8. Action planning: your first 90 days after the course
