Train the Trainer

Human Resource (HR) Management

Course Overview

Train the Trainer: a 5-day professional training course from LTC Consultants, delivered in-classroom across Africa and live online.

What You Will Achieve

- Design training sessions structured around adult learning principles
- Write learning objectives that shape content instead of decorating it
- Deliver with confidence: voice, presence, pace and participation
- Handle difficult moments (dominators, silence, scepticism) professionally
- Evaluate training beyond the happy sheet

Who Should Attend

Subject-matter experts asked to train others, new trainers and facilitators, HR and learning professionals, and supervisors responsible for on-the-job instruction.

Course Outline

1. How adults learn, and how they refuse to
2. From content to design: objectives, structure, timing
3. Openings that earn attention in five minutes
4. Delivery skills lab: voice, body, visuals
5. Activity design: practice beats presentation
6. Managing the room: difficult participants and energy dips
7. Assessment and evaluation: did learning happen?
8. Final practicum: delivery, camera review and feedback
